MANAGEMENT MEMO RESCISSION DOCUMENT

MANAGEMENT MEMO: #EO-93-013-PP

TITLE: Policy and Procedure for Memorandum of Understanding with Local Agencies

AFFECTED PROGRAMS: Hazardous Waste Management Programs: Permitting Division, Statewide Compliance Division, and Statewide Regulatory Programs Division

STATEMENT OF RESCISSION:

Management Memo #EO-93-013-PP is hereby rescinded for the following reason(s):

This policy/procedure document provided guidance to Department of Toxic Substances Control staff for developing Memoranda of Understanding with local agencies implementing Hazardous Waste Generator Inspection and Enforcement programs. This policy/procedure is no longer needed due to legislative establishment of the local Unified Hazardous Waste and Hazardous Materials Management Regulatory Program that incorporates Hazardous Waste Generator Inspection and Enforcement mandates. This was accomplished through adoption of Health and Safety Code (HSC), Chapter 6.11, effective January 1, 1994. This chapter defines the scope, authority, and responsibility of a Unified Program Agency.
